

Our Philosophy

Children enrolled at St. Bernard's Child Care are provided experiences that enrich and enhance each child's social, emotional, physical, cognitive, and creative development. They are cared for in an attractive, safe facility by qualified staff. We serve as positive role models and provide care that is supportive, nurturing, warm and responsive to each child's individual needs. We will share our love of God, our community, and each other, while creating a positive environment.
