 SAINT BERNARD CATHOLIC CHURCH

December 12, 2011

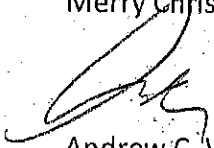

Dear Lectors, EMHC's and Altar Servers,

A quick update on the parish scheduling process; as some of you may be aware, the parish invested in new software that is to make setting the schedule easier, and takes into account all your requests as you serve your individual ministries. The software has been installed and both Mary Ann Peter and I have taken a training course on its use. I attempted to use the new system for this schedule, but the software didn't perform as promised. I have spoken with the manufacturer about the problems and they assure me that a fix is going to be available but not in time to help with this schedule.

Therefore, I was forced to use the old system to produce this schedule for the 1<sup>st</sup> quarter of 2012. I have tried to honor the requests sent during the past few months in regards to mass times, ministries served and serving with a specific person or as a family. I'm sure it is not perfect, but hopefully it will address some of the issues from the last schedule. If you have any questions as to how it was prepared please don't hesitate to contact me. As always, if there is conflict, you will be responsible for finding a substitute to take your place.

Lastly, I'd like to welcome the 14 new altar servers who went through training this past fall and are now ready to help Fr. Melchior and the deacons with mass. I'd also like to thank all who have volunteered to help during the holidays; your service will help to make it a truly blessed Christmas season.

Merry Christmas,

  
Andrew C. Walsh Jr.

# St Bernard Parish

3601 N 65th St  
Omaha, NE 68104

## 11/17/2012 Saturday 8:00 PM

Altar Server	
Kerwin, Spencer	A1
